# LIANA NEEDS TWO-TORS

They say that getting a good education is the best thing a person can do for themselves. We women have more hurdles to jump than most guys to get the learning we need. But we have our ways. I learned that a well pressed uniform and sexy under things could really improve my grades.

Then I learned that a little flirting with the professor could also improve my grades. But when his teaching assistant started tutoring me too, then I think I was at me best. I learned a lot and can use it when I go out into the real world looking for a job.

I wasn't doing very good in math. Algebra just wasn't my thing, but I knew I had to improve my grades in order to keep up my grade point average. So I found some after hours help through the college paper and today is my first day trying to up my grade. I studied up on quadratic equations and was ready for today's lesson. When I got to his house, I was taken by how cute he was.

## RANAE DOES THE MATH

We studies for about an hour, and then things got a little out of hand. Much to my surprise, I found myself getting into it with him and we started kissing, then felling each other up, then licking and sucking and finally, well you can watch. I don't have to describe it.

# BROOKLYN IS A VERY QUICK STUDY

Today is the third day that I've been taking piano lessons. My instructor is a very nice man who takes his time with me. He made me do one sequence twenty times in a row before I got it right. But today I'm feeling really horny and I really don't care about taking another silly piano lesson. Maybe I can take his mind off it starting with a little blow job.

## COMMUNICATE WITH US

### LESSON SEVEN

*Last time we discussed the virtues and techniques of pussy licking. Well, just a little bit further back is the most private of lady parts, her puckered star. Now, we know many ladies do not want you back there and that's okay. They're entitled. But for those that do, please be sure to start out gentle. It's a spot that needs more than one time to get in the mood. When she does, it's great.*

### BUTT DEAR BOYS

I live with my boyfriend. We're both seniors in college and about to graduate in a couple weeks. My boyfriend wants to do something special for us, and suggested a road trip up coastal 101 to Carmel and Monterrey. I thought that was a great idea, but I wanted something special also. I want him to fuck my ass!

#### We've been together

since our freshman year. Always faithful, although we each tried a three-way one time each. Neither one worked for us, but we've tried to keep our sex lives vibrant, even between classes and college activities. But I want more than he's given. I admit he's got a great dick and a good attitude towards sex, but her doesn't want to stick his precious cock into my butt. Even getting him to put a finger in is a needlessly long and drawn out process. We try to have sex at least four times a week and a couple more times on the weekend. While it's not always the case we do try. Even if it's a quick blow job between classes, or he licks my while I do the dishes. We try to make it somewhat interesting. But I've always wanted to try anal but he just doesn't.

So graduation is coming soon. Our parents will be there and we'd like to leave on our road trip the next day. That doesn't give me much more time to convince him to

stick it in. Graduation soon arrived and we threw the tassel to the other side of the mortarboard. Dinner with the folks was great and they were so happy, but we excused ourselves early saying we had to hit the road early for our trip. We promised to stop by my parents house on the way back. My sister had come as did my guy's best friend from high school, who went to another college and graduated a few days before ours.

When we got back to our place, my guy told me to go upstairs and get freshened up and once I was ready, call down to him. Was this going to be that special night I wanted, or just another smokescreen that fizzles my dream away. But I got ready and my pussy was more than ready – it was dripping. I came out the bathroom and he blindfolded me and took my hand and pulled me down the hallway to the bedroom. He placed me on my hands and knees on the bed. He slapped my ass and told me not to move a muscle. I stayed motionless, in the doggie position waiting for his next command. I felt my pussy get wetter and my anus puckered harder.

I heard him go back out to the hallway and close the bedroom door. A few minutes later it opened, then closed. He came and whispered into my ear to stay calm and enjoy whatever happens. I could hear some rustling and a moment later there were fingers moving quickly and lightly over my wet pussy. Then I felt someone climb onto the bed behind me. I could feel a cock teasing and then nudging forward and entering my pussy. Suddenly I felt a cock

on my lips. How could that be, one cock in front and one in back? I smiled inside and opened my mouth to take it in. It was quite different than my guy's but who's could it be? This one's head's bigger, but the cock in my pussy was getting into a steady rhythm and I forgot about the size of the one in my mouth. As each cock moved in and out of my pussy and mouth, I became aware of the cock at my pussy pushing in hard and slow. I took it all in and wondered who the second guy was that was in my mouth. This went on for about ten minutes when I felt each one exit the hole they were in and switch positions. They each entered their new holes and I was again getting fucked hard at both ends and the sensation and the orgasm that followed was terrific.

I felt a finger go into my pussy and wiggle around in it. Then it came out and rubbed the juice around my butthole. I was shocked and excited. Was my butt going to finally get fucked? At this point I didn't care if it was my guy, his friend, or the governor. The guy in back pushed a finger into my anus and my hips bucked a little. Quickly he replaced it with the head of his cock into my hole and slowly pushed it forward. I felt my sphincter open and close behind it as both pain and pleasure ripped through my body forcing another orgasm to cum over me. He began to push in and out faster and faster, as I still had the other cock in my mouth and was working it hard.

Then the cock in my ass got faster and faster and I could tell he was coming and then with a loud moan I feel him spurt and spurt his hot man-juice inside me. A minute later I felt tensing and a hot flush of jizz cum into my mouth. I swallowed what I could and the rest dripped onto the bedsheet. My guy said that he hoped I liked my surprise.

– Andrea, UCLA

## STUDY HABITS

One Saturday afternoon I was sitting at my desk trying to get this damn studying finished so I could watch the game. The TV was blaring in the background and it was getting harder and harder to concentrate. Game time was only ten minutes away and I kept peeking over waiting for it to begin. Suddenly, there was a knock on my door. I don't get too many knocks on my door as most students tend to keep to themselves and their friends. So I go over and look through the peep hole and there was Edie, the blonde nursing student I had fucked last weekend. She lived in the building but up several floors.

I opened the door and said 'hello.' I was about to close it when Edie says "I hope you don't mind, but I brought Rochelle over." Rochelle walks over to the doorway and offers her hand to shake, which I do. I gently pull it, and her, into my place with Edie. They look around and sit on my sofa.

Edie was fun and loved to give head. Non-stop for hours. Rochelle seemed interesting. She had a tattoo sleeve on her left arm and probably elsewhere, I'm guessing. They both were dressed in t-shirts with band names on them – and jeans. Edie was little taller, but Rochelle had a bigger chest, and obviously not wearing a bra. Neither were.

## MORE SEVEN

So now your back there with your nose to the hole. At this point you have to know that it's clean and willing to be licked. If so, then go to it and gingerly lick all around with a quick thrust into it. Use your fingers here and there to go along with your tongue. Using lube makes all this much easier and makes for a softer ride for your lover. Have patience and ask if she likes it or if you're doing what she likes. Be reassuring and ask if she's ready for your cock. If she is then start slow. Take it one inch at a time. If she likes it, it'll be a great part of your intimate lovemaking.

I had seen Rochelle around campus a few times, always looking quite studious. I offered them both a drink. Edie wanted a beer and Rochelle some wine. Fortunately, I had each and grabbed a beer for myself. I turned down the television still hoping to catch some of it.

I sit down on the chair next to the sofa and ask, "So, ladies what brings you here today. Rochelle answered simply, "We want to study and need to fuck. Not necessarily in that order. I nearly choked on my beer. Edie blushed at Rochelle's directness but laughed and said "Cock. Baby we came for your cock. I want something other than Rochelle's pussy." Rochelle laughs.

"Edie, you didn't say anything last time that you were a muff muncher. How long have you two been doing each other?" Edie laughed and said, "Since the beginning of the semester. I had never had a girl before, but she was hot and I was horny, so, long story short, we've been at it since then. Rochelle then added, "Edie told me how nice your cock is and every now and then, I'd like one.

Without hesitation, I dropped my beer on the coffee table, stood up and grabbed each of their hands and led them to the bedroom. I sat Rochelle on the bed and pulled her top off. Her skin was quite fair, but she had perfect boobs. A perfect C cup. Her tat

stopped at her shoulder and I noticed a small fairy just above her right nipple. Quickly I stripped off my clothes and noticed that Edie had fully stripped as well. I laid Rochelle back and pulled off her

jeans. She was wearing a thong and I just pulled it aside. She was totally bald and her pussy was puffy and wet. I couldn't resist licking her pussy as Edie was kissing her and rubbing her breasts. I was fingering her pussy with two fingers and found her g-spot. She came twice – very intensely.

I positioned my cock between her legs and rubbed it on her wet pussy. I slowly pushed in and she gasped. When I got halfway in she groaned and with that I pushed in deeper. When I got in balls deep she was really moaning loud. Edie was behind me, rubbing my balls and Rochelle's pussy through my legs. When I got to the point of cumming I pulled out and blasted my load all over her perky breasts.

I laid back and rested for a bit but it didn't take long for me to get hard again. Edie got on her hands and knees and I entered her doggy style. She has such a nice ass that I couldn't resist working my finger in there as I fucked her tight pussy. "That feels so naughty, I love it." Rochelle got on her knees next to Edie and put the tip of the vibe at Edie's puckered hole. Edie came with a scream and collapsed on the bed. We snuggled and rubbed each other. Rochelle especially liked rubbing and stroking my cock and balls, occasionally getting a closer look at it. We got up an hour later and decided that studying was not on the docket today.

– William, Apt. 233

## LESSON EIGHT

### Your Studies

Every college student has to study and learn. That's why you're there. But there have to be diversions. Sports, clubs, parties, and of course, sex. Lots and lots of sex. Guys will pursue it any chance they get, and in order to get it, the girls must be willing. We've heard, and endorse all kinds of study habits. Do it at the library, at a restaurant, but our favorite is to do it in the nude. If you can control your libidos, then naked studying is a lot of fun and you can actually learn something. So, once again... go try it!

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

# SIERRA AND SASHA'S WICKED AFTER PROM PARTY

We're best friends and what a thrill it was that we got to be prom queen and princess this year. Neither one of us was expecting it because there are some really pretty girls at our all girls' college. After the prom, we took our male escorts back to our place to party. And party we did. We stayed up fucking any guy who stayed hard for hours on end.

## ZOEY TRIES SOMETHING NUDE

When I got to college, my roommate helped me transform myself. She took me for a new pixie haircut, new clothes and a new attitude. She told me I had a kick-ass body, but my big red bush down there had to go. I had never shaved my pubes before, so feeling a little frisky, I asked her to help me do it. It was an amazing feeling. What do you think? Nice, huh!

# gotta love my professorship

*I lecture at the university and find  
that I'm having a hard time not  
looking at the cute coeds.  
And it started like this...*

I am now 25 years old and an adjunct professor at a small Midwestern university in Ohio. That means I'm not a full time prof. I come in to give lectures or assist the full-time pros with their classes, or whatever else the university may have for me to do. It's a good gig right now. I don't work every day and I like my time off. I bicycle to the campus and love to walk around and see the ivy-covered buildings, the nicely manicured grounds and, of course, all the pretty young coeds. Now don't get me wrong. I said I like to look.

My schedule for the week has me waking up early and cycling to the university every morning. I get there the exact same time, even in rainy weather, and see the same students walking to their first classes. Some come into mine, but the rest disappear into the buildings around me. I see people sitting and studying on the quad, others are making out in secluded corners, and some just look lost. There's one coed that comes to my class who looks to be eighteen or nineteen. She's always overburdened with textbooks and has dropped them many a time as she settles into her seat. She has long blonde hair that she usually wears in a ponytail. She dresses conservatively, but my instincts tell me that she may be a little wilder than she seems. I think her name is Sandy, but I'm not sure with more than one hundred students in my class.

The bell rings and the muffled noises of students seating themselves dies down and I begin to talk. Today I'm lecturing on the virtues of the American health care system versus state-sponsored health care, so I talk, and talk, and talk until the end bell rings and that flurry of them getting up and leaving fills the room. As I looked around the room during my lecture, it's obvious most didn't care about what I was saying. I tried to make it interesting, but I don't think I did a good job. I need to revise my notes

for next time, I thought. I watch the students empty the lecture hall, and notice Sandy coming down towards me. Strangely, I felt something in my pants tingle at the sight of her getting closer. That has not happened before.

"Professor, do you have a minute?" she asked, getting closer.

"Yes, of course... Sandy, isn't it?" I ask.

"Yes, hi." she says. "I think I'm having a bit of a hard time understanding your lecture today. While I understand the differences in the two health care systems you talked about, I don't see the economic impact each has on their respective countries. I especially didn't understand the differences between the Canadian and Swedish systems you alluded to." she says.

I'm stunned and amazed that someone actually listened and thought about what I said. I looked at her for a moment, taking in her pretty eyes and soft (I assume) skin. She had long, well-manicured fingers wrapped around her books, and as I looked closer at her, she looked like a model without make-up or pretense.

"Sandy, I can adjust my notes and go a little more into depth on that in my lecture on Wednesday. There isn't enough time to discuss it here and now. I hope that will work for you." I say with just a hint of sarcasm.

She smiles, nods okay and I watch her walk up the stairs and out of the lecture hall. My next class is coming in now, but all I can think about is that cute little coed who is actually interested in what I'm teaching. My day finally ends and I cycle home. I think about her on and off as I prep for my next day's lectures. I lean back in

my chair and think about my first year in college and the lectures and classes filled with young, nubile coed bodies. All of them having sex in their dorms, in the frat houses or anywhere their hormones took them.

The first time I had sex with a girl at college was with one a couple years older than me. She was a junior and I had only been there a month. Her name was LouAnne and she was about one hundred pounds, five foot six with long brown hair to her shoulders, and perky twenty-year old boobies. I remember she loved to show off around campus in a short belly shirt with no bra so her pointy hard nipples pushing on the fabric. This drove all the boys crazy to see that walking into the quad.

My dorm shared the same lunch hall with hers. One day she came over to our table and asked if she could sit. She said all the other seats were taken. I stumbled over my words to say ‘yes.’ and she smiled as she set down her tray. She introduced herself as LouAnne – from Memphis. We talked throughout the half-hour we had for lunch as I brought my ‘A’ game. It was 1:30. As we took our trays to their station, she said she didn’t have another class until three. I had one at two, but some said that I didn’t either.

“Good.” she said. “Let’s go to your room and listen to Coldplay. she says. “You do have Coldplay?”

“Of course,” I said. “Everyone of their CDs.”

We walk into my room with her behind me and she closed and locked the door. She winked and walked over to the CD player and found a Coldplay disc and put it in. I enjoyed her company and we shared college stuff for over an hour. She came over to my bed, where I was lounging and sat on the edge. She pulled her top off right there in front of me and exposed two perfect breasts. She rubbed them, hardening her nipples as she pinched them. My mouth dropped as I couldn’t take my eyes off them.

“Do you like?” she cooed.

I muffled out a ‘yes’ as she took my hand and brought

it up to her right breast. I squeezed lightly as I felt her hands reach for my pants button and zipper. Deftly she undid them both and put her hand inside searching for my cock. It was already half-way to greeting her fingers as she grabbed hold and squeezed. Then she stood up and pulled me up. I stood in front of her and let her pull my pants and boxers down. Then she pulled her top over her head and threw it on the bed. I reached for her jeans and unbuttoned them and pulled them down. She wasn’t wearing panties and the sight of her tightly trimmed pubes was a huge turn on. I had never been with a girl with so little hair down there.

I sat on the bed leaving room for her on the other side. We ran our hands over each other’s bodies as we kissed. Her tongue was soft, then hard, then probing as she stroked my cock and I rubbed her tits. It was only a few minutes when she dropped her head down and I felt her lips and tongue wrapped around my cock. She was sucking me so hard, pulling the blood to the head of my cock. I felt something I’ve never felt before as my heart started pounding really hard. I tried to push her head off me but she kept it there, going all the way down on it. I

realized I needed to relax and just kicked back to enjoy it. I'll be fine. Just lay there and enjoy getting your freshman college cock sucked by this wild-ass junior. As she sucked up and down, I didn't know how long I could last, but then she pushed me down on the bed and got into a 69 position over me. She told me to lick her. I looked up at her pussy and I was speechless at this close up view of this girl's privates. Her pussy lips glistened with sweat and pussy juices. It was beautiful. My cock got harder as my tongue reached up and parted her lips, slightly spreading them apart. Her tight pink asshole seemed to be pushing in and out by itself as I was licking her. The view was spectacular.

Then, I went crazy and started licking her anus. First, up and down to her pussy ending at her clit and back up again, repeating this for several minutes. I could hear her moans and groans through her cock sucking. She never loosened her tightly wrapped mouth around my rock hard cock and suddenly I shot thick ropes of cum into it. Stopped long enough to swallow and catch her breath. LouAnne, from Memphis, smiled at me still catching her breath. She climbed off me and I watched that sweet

pussy get further away. But no problem, I'm about to fuck it soon. and she's goona see how it feels from a virile nineteen year old college man!

She sat up on the bed, leaning back against the wall and spread her legs, bringing her knees up. She started stroking her clit and shoving her fingers inside her pussy. I'm looking at her sweaty naked body and listening to her moans, making me hard again.

"I see you're ready again." she says.

I looked down at my throbbing cock readying itself and then I looked up and she was bent over my study desk with her bare ass in the air and legs spread offering her pussy to me I see the juices between her inner lips slowly dripping out. I just stood up and got close enough until my cock was touching her pussy lips. I just stared for a second and then caressed her naked backsides. I licked all around for a minute before pushing my cock into her pussy, rocking it back and forth so she could feel it push against her sugar walls. I fucked her as hard as I could, finally feeling her cumming and shaking on my cock.

LouAnne started moaning and that turned into loud groans as I started pumping into her again even faster. And the better it felt, and the closer I got, the harder I pounded into her. Finally, I felt my cock stiffen up again and my body tensed; I pulled out and shot onto her ass cheeks. I offered her a hand towel to wipe off as I found my briefs and pulled them back on. I sat on the bed and watched her dress. Coldplay was still playing and she gyrated to it while she tried to straighten out her hair a bit.

"It's almost three." she said. "I gotta run."

As I locked my door after letting her out, I went under the bed cover with my cock starting to get hard again. I closed my eyes and started reliving the last couple hours. Retasting her pussy and trying to feel her mouth tight around my cock. With that being said, I was ready for more college pussy. I made it my major for the next four years, slipping in an economics degree between all the coed nookie that came my way.

A few years ago, my family went on a trip to Japan. What a great country it is, and I learned a lot about the people and culture. So, when I got to college, I decided to learn the language better. My good friend Keni volunteered to teach me some useful phrases. I took him up on it, and decided to thank him with a good fuck!

# AMIA LEARNS A NEW LANGUAGE

I teased him for a while before letting him lick my pussy, which he does very well, before I returned the favor on his cock. We got so hot and heavy, we both came quickly, rested for ten minutes and went right back at it. I learned a lot!

# TIA SAYS HER PUSSY'S TIGHT

One of the best things I've ever learned is about foreplay. I love foreplay because it gets me really wet. I get myself ready for my guy by sticking my fingers into my pussy to prime my hole. When I feel it's ready, I'll have him lick me and get me even hotter. Then he'll guide his hard cock into it and let him fuck me until I cum and can't take any more.
